linkedin.com/in/kirti-vispute | github.com/kirti-vispute

Computer Engineering undergraduate with a CGPA of **9.57/10** and hands-on experience in software development through internships and real-world projects. Strong foundation in Data Structures & Algorithms, Object-Oriented Programming, and Database Management Systems, with experience building full-stack web applications and AI/ML solutions using modern development technologies.

TECHNICAL SKILLS

Languages: Python, JavaScript, SQL, HTML, CSS

Frameworks & Libraries: React.js, Node.js, Scikit-learn, NumPy, Pandas, Matplotlib

Databases: MySQL

Core Computer Science: Data Structures & Algorithms, Database Management Systems (DBMS)

Developer Tools: Git, GitHub, REST APIs

EXPERIENCE

Software Developer Intern — HashedBit Innovations April 2026 – June 2026

- Collaborated with team members to implement client-requested UI enhancements across web applications.
- Improved user interfaces using React, JavaScript, HTML, and CSS to enhance usability and responsiveness.
- Identified and resolved frontend and backend issues to improve application stability and user experience.
- Assisted in testing and validating application features before deployment while using Git for version control.

PROJECTS

CareerSetu | AI-Powered Internship Platform

Developed a full-stack AI-powered internship platform that automates resume screening, skill gap analysis candidate shortlisting, interview scheduling, and personalized course recommendations. Built dedicated dashboards for students, recruiters, and administrators.

Hybrid Deepfake Detector

Developed a Hybrid Deepfake Detection System using CNN and XGBoost, training the model on 3,000+ labeled images and deploying it with a Flask backend and React frontend.

DataMine Simulator

Developed an interactive web-based Data Mining Simulator to visualize and demonstrate clustering, classification, regression, and association rule mining algorithms, improving conceptual understanding through real-time visualizations.

EDUCATION

- **Vidyalankar Institute of Technology, Mumbai — B.E., Computer Engineering**
  CGPA: 9.57/10 Expected Graduation – 2027
- **Santaji Mahavidyalaya — Higher Secondary (12th)**
  Percentage - 81.50% 2021 – 2023
- **R.S. Mundle English School and Jr. College — Secondary (10th)**
  Percentage - 90.20% 2021
